Galatians

Dinner starts at 5:00PM
Bible Study for All Ages

April brings our focus to one central truth of Christianity: Jesus is risen from the dead.

1 Corinthians 15:3-4 tells us, "I passed onto you what was most important and what also had been passed on to me. Christ died for our sins, just as the scriptures said."

This is not symbolism. It is a real event in history. Jesus truly died on a cross, bearing the punishment sinners deserve. Three days later, He physically rose from the grave. The empty tomb means His sacrifice was accepted by God.

Why does this matter? Because sin separated us from God. Every one of us has broken His law. The penalty for sin is death. If Jesus had stayed dead, there would be no hope. But He didn't. And His resurrection proves that forgiveness is available. It proves that death is not the end. It proves that Jesus is Lord.

Jesus said in John 11:25 - "I am the resurrection and the life. Whoever believes in me, though he die, yet shall he live." And the only response God requires is repentance and faith—turning from sin and trusting in Christ alone to save you.

April brings forth a wonderful reminder: the grave is empty... and the risen Christ offers true forgiveness and eternal life to all who believe.

Rejoice, for He is risen!

In Christ,
Pastor Phil

C. S. Lewis said, "Joy is the serious business of Heaven." He put joy in a category only believers in Jesus can anticipate, and it's something we get glimpses of now. Distinct from happiness, which is best defined as depending on happenings, joy is part of the fruit of the spirit. It's often most obvious when things around us are not at all happy. As James wrote, "Consider it pure joy my brothers and sisters whenever you face trials of many kinds" (James 1:2).

Serving God is always where we will find our greatest joy. God calls believers to be prayer warriors and to pray for the people who go and serve Him on the missions field. God calls us to serve Him in our churches and to reach out to our communities. How is God calling you to serve?
